

Hullo!

I know I'm looking a bit forlorn at the moment but I am aiming higher.

Did you know that you, Axmouth residents, have just adopted me? Yes, I'm one of you now.

I don't have a phone any more, but don't write me off please. I've got some ideas for my new future – and perhaps you can think of some too.

I could be a book swap

A plant swap

A noticeboard

A place for local information.

And I'll need some help in improving my appearance. If you'd like to become a Friend of the Phone Box or have ideas about how to use me, let one of the parish councillors know (see their names on the website and noticeboards) or call 24061 (Crescy) or 24750 (Keith).

Goodbye.
